Product Specification Sheet

Targus Education Case Bundle 2

Part #: BUS0004

Product Description:

The Targus Education Case Bundle 2 is perfect for students who need a functional backpack, a practical mouse and a reliable way to secure a notebook, projector or monitor to prevent theft. The Sport Notebook Backpack appeals to today's students with an active lifestyle and a more casual work environment. This backpack, constructed of heavy-duty fabrics with nylon webbing reinforcement, features a padded compartment for notebooks with up to 15.4" screens. The Targus Notebook Wireless Rechargeable Optical Mouse offers RF technology coupled with 800-dpi resolution allowing for accuracy and precision in mouse movements. Easily prevent notebook theft with the The DEFCON® VPCL Video Port Combo Lock which allows you to secure a desktop or notebook computer. This combo lock securely attaches to the VGA port using a solid upgraded material for added security. This bundle provides customers with a cost efficient way to purchase three essentials to insure notebook security, protection and ease of use on the go.

Product Features and Specifications:

- **Save $39.98 on these products by purchasing in a bundle**
- **Sport Notebook Backpack -** Padded notebook compartment fits notebooks with up to 15.4" screens, includes a business card holder, pen loops, key clip, Nyflex- lined PDA/sunglasses pouch, headphone port, water bottle storage and removable mobile phone pouch
- **Wireless Rechargeable Optical Mouse -** Recharge the mouse via the USB charge cable; mouse functions during charging to ensure uninterrupted operation. The RF wireless technology provides a clean, uncluttered workspace free from cables
- **DEFCON® VPCL Video Port Combo Lock –** Lock accommodates up to 10,000 user-settable combinations and uses two screws to secure the lock to the video port with strong, upgraded material. The cable is constructed of 6.5ft. of vinyl coated stainless steel for added strength
